

## **NEW** TaxRight Filing Software Kits With 5 Free E-files!

TaxRight Software helps small and large businesses comply with IRS tax form regulations. With reliable Window-based functionality, TaxRight software is user friendly and guides you step-by-step through the filing process. TaxRight Software offers e-file capabilities, making filing with the IRS and SSA quicker and easier than ever.

TaxRight Software Kits are available for W2, 1099Misc, and 1099NEC. The kits include the software, laser forms, self-seal double window envelopes, transmittal forms, and tip sheets with helpful guidelines.

### **Everything Needed in One Kit**

- All in one kit that includes forms, transmittal forms, envelopes and software.
  - Compatible with today's leading payroll and accounting software.
  - Free tip sheet included. Clear, legally sound information takes the guesswork out of the regulations. Includes minimum requirements, penalties, common errors, and employer dos and don'ts.
  - The software for the 1099-NEC can also be used to complete box 7 of the 1099-MISC form if no other fields are being used on the 1099-MISC.
  - Most kits include 5 free e-files!
- If you would like a quote on these products with regular seal envelopes, please contact our office. Regular seal envelope kits do not include free e-files.
